IT'S ALL ABOUT THE EXPERIENCE

Feature Stays

Horn Island

Horn Island is part of the Torres Strait Islands group at the tip of Cape York Peninsula, Australia's northernmost point. Horn Island came to prominence during World War II when it suffered eight Japanese air raids. Today the island has a small population of approximately 650 people with a focus on pearling and fishing. Horn Island is home to the only airport in the Torres Strait Island group, as most of the other inhabited islands only have an airstrip. We will visit the museum and art gallery in the small town of Wasaga. We will also be taken on a tour to the historic World War II sites across the island. Horn Island is a lovely island to experience the exciting fusion of Melanesian and Australian Aboriginal cultures.

Bramwell Station

Bramwell Station is the most northerly cattle station in Australia. Located two hours north of Weipa or Archer River and four hours south of the tip, the station is probably more famous now for its location – the start of the famous four wheel driving challenge, the Old Telegraph Line track, fondly known as the OTL. Bramwell was first taken up in the early 1930s as a pastoral lease, owned by Frank Monighan. In 2002 it was taken up and operated by the family partnership of Vince Bowyer and Wendy Kozicka. Our stay here in the ensuite cabins will give us an insight into life on a working cattle station.

Cape York 'The Tip'

Day 1. Wednesday 9 June 2027

[HOME PORT - CAIRNS | D](#)

Our Cape York adventure begins today as we depart our home port and fly to tropical Cairns. Our Tour Host will travel from Mackay and meet us either at Mackay Airport or upon arrival in Cairns. After transferring to our accommodation, enjoy some free time to relax and soak up the tropical atmosphere.

This evening we gather for a welcome dinner at one of Cairns' popular restaurants. It's the perfect opportunity to get to know our fellow travellers as we prepare to venture to one of Australia's last great frontiers.

Day 2. Thursday 10 June 2027

[CAIRNS - HORN ISLAND | B L D](#)

Following an early breakfast, we board our flight to Horn Island in the Torres Strait. Located just south of Thursday Island, Horn Island played a crucial role during World War II and is home to one of Australia's most significant yet lesser-known wartime stories.

On arrival we enjoy a fascinating tour of the island, learning about its strategic importance during the war. During World War II, Horn Island became Australia's northern frontline, housing thousands of Australian and American personnel. It was bombed numerous times by Japanese forces and was considered one of the most strategically important air bases in the country. Our tour includes visits to key historical sites and wartime relics before we spend time exploring the Torres Strait Heritage Museum.

This evening we settle into our accommodation on Horn Island and enjoy dinner while taking in the relaxed island atmosphere.

Day 3. Friday 11 June 2027

[HORN ISLAND - THURSDAY ISLAND - BAMAGA | B D](#)

This morning we take a short ferry ride across the beautiful waters of the Torres Strait to Thursday Island, affectionately known as "TI" by locals. As the administrative and cultural centre of the Torres Strait, Thursday Island has a rich and colourful history influenced by Indigenous, European, Asian and Pacific Island cultures.

During our guided bus tour we discover the island's fascinating past. The picturesque harbour was once crowded with hundreds of pearl luggers, making Thursday Island the thriving heart of Australia's pearling industry. In the late nineteenth and early twentieth centuries, people from Japan, Malaysia, Sri Lanka and across the Pacific came here to work in the lucrative pearl shell trade, creating a unique multicultural community that still exists today.

This afternoon, we board the ferry to the mainland and meet our guide for the journey to Bamaga. Situated near the northern tip of Cape York Peninsula, Bamaga is Australia's northernmost mainland town and serves as an important gateway to the spectacular landscapes we will explore over the next few days.

Day 4. Saturday 12 June 2027

[CAPE YORK TOURING | B L D](#)

Today is one of the highlights of our journey as we travel to the very northern tip of mainland Australia. Standing beside the famous sign at Pajinka, we are rewarded with sweeping views across the Torres Strait and towards the nearby islands of Papua New Guinea.

We continue to historic Somerset, weather and road conditions permitting. Established in 1864 as a government outpost, Somerset was originally intended to become a major northern settlement and strategic port for Queensland. It later became home to the pioneering Jardine family, whose influence helped shape the history of Cape York. Although little remains of the original settlement today, the site still holds an important place in the story of northern Australia.

Lunch is enjoyed on beautiful Anchorage Beach overlooking the Albany Passage, a picturesque waterway separating the mainland from Albany Island. This tranquil setting provides a striking contrast to the region's rugged history and remote location.

Later, enjoy time to stroll along the beach and absorb the remarkable scenery before we return to Bamaga for the evening.

Day 5. Sunday 13 June 2027
BAMAGA - BRAMWELL STATION | B L D
This morning we begin our journey south, crossing the mighty Jardine River, one of Cape York's most significant waterways. We then visit the beautiful Fruit Bat Falls, widely regarded as one of the best swimming spots in Cape York. Fed by crystal-clear waters flowing over ancient sandstone, the falls offer a rare opportunity to enjoy a refreshing swim in a picturesque natural setting.

Continuing south, we travel along sections of the legendary Old Telegraph Track. Originally created to service the Cape York Telegraph Line in the 1880s, this route has become one of Australia's most famous four-wheel-drive tracks, renowned for its river crossings and rugged terrain.

Tonight we experience genuine outback hospitality at Bramwell Station. Established in the early 1930s as a cattle property, Bramwell was once Australia's northernmost cattle station and remains an iconic stop for Cape York travellers.

Day 6. Monday 14 June 2027
BRAMWELL STATION - WEIPA | B D
Our journey continues through the vast wilderness landscapes of western Cape York. Crossing the Wenlock River, one of the largest river systems on the peninsula, we eventually reach the shores of the Gulf of Carpentaria and the mining town of Weipa.

This afternoon we enjoy a Wildlife Eco River Cruise. Keep watch for crocodiles, sea eagles, kingfishers and a variety of unique birdlife as we explore the waterways that sustain this remarkable ecosystem.

Day 7. Tuesday 15 June 2027
WEIPA - MUSGRAVE | B L D
Travelling south, we pause at the scenic Archer River, an iconic stop for travellers making the journey through Cape York. We then continue to the historic frontier town of Coen, once an important service centre during the region's gold rush era.

This afternoon we arrive at the Old Musgrave Telegraph Station for our overnight stay. Constructed in 1886 and named after Queensland Governor Sir Anthony Musgrave, the station formed part of the Cape York Telegraph Line, a remarkable engineering achievement that linked remote northern communities with the rest of Queensland.

Day 8. Wednesday 16 June 2027
MUSGRAVE - COOKTOWN | B L D
After an early departure, we journey east towards Princess Charlotte Bay and the vast wilderness of Rinyirru (Lakefield) National Park, road conditions permitting. This incredible landscape is one of Queensland's largest national parks and is renowned for its lagoons, wetlands and abundant wildlife.

We continue to Split Rock, home to one of Australia's finest Aboriginal rock art galleries. The site contains remarkable ancient artworks that provide valuable insight into the lives, beliefs and traditions of the Indigenous peoples who have called Cape York home for thousands of years.

Arriving in historic Cooktown, we discover one of Australia's most important heritage towns. This afternoon we visit Captain Cook's Landing site and learn about this pivotal chapter in Australian history before settling into our accommodation.

Day 9. Thursday 17 June 2027
COOKTOWN - CAIRNS | B L D
Today we travel south through some of the most spectacular scenery in Tropical North Queensland. Along the way we pass the mysterious Black Mountain, known to local Indigenous people as Kalkajaka. The striking mass of black granite boulders has inspired countless stories and legends over generations.

Continuing along the Bloomfield Track, road conditions permitting, we experience one of Australia's most scenic drives. The route winds through ancient rainforest before reaching Cape Tribulation, where the World Heritage-listed Wet Tropics rainforest meets the Great Barrier Reef. It was near here that Captain Cook named Cape Tribulation after the Endeavour struck the reef in 1770, famously remarking that "here began all our troubles."

Following a spectacular drive along the Marlin Coast, we return to Cairns where we celebrate our incredible Cape York adventure with a special farewell dinner.

Day 10. Friday 18 June 2027
CAIRNS - HOME PORT | B
After breakfast, we transfer to the airport for our flight home. As our journey comes to an end, we reflect on the extraordinary experiences and landscapes we have encountered, from the tropical waters of the Torres Strait and the northernmost tip of Australia to the rugged outback tracks and rich history of Cape York.

Our Tour Host will farewell us either in Cairns or upon arrival in Mackay, taking home unforgettable memories of one of Australia's last true wilderness frontiers.
